No Boundaries ... *LET'S RIDE!*

Notes from the Director...

Well, we're roughly half way through our riding season and it's a good time to do a pulse check and see how we're doing. The theme from 2017 H.O.T. training was No Boundaries...Let's ride! With that in mind, below are the opportunities that were identified along with their current status...[READ MORE](#)

Safety Update

Hi everyone, It's been a great riding season so far. Just a few reminders that there is a lot of paving going on out there. So be aware of uneven lanes and low shoulders on roadsides, and loose gravel in some construction road sites.

Be safe!

John Biron, Safety Officer

Replacing the FOB battery

Well....for all those who believe that the battery in your security fob will not go dead I have some bad news! It will happen and usually out in the middle of nowhere! I was riding with a group heading to Laconia on Thursday, we had stopped at a rest area and when we were ready to leave one of the bikes would not start and the blinkers were flashing. The battery in the security fob was dead! So once again here is a simple reminder.
