

**Mid-Maine Lewiston HOG Chapter #1980 Meeting Minutes**  
**July 7, 2019 @ 10:00 AM**

10:00AM – The meeting was held in the parking lot of L-A Harley Davidson prior to the ride to The Seadog Brewing Company in Topsham.

There were 22 members in attendance for this abbreviated meeting. Nine additional members met us at The Seadog in Topsham.

Returning Member(s) - Welcome back Paul Walsh.

Frank thanked all that were able to help at the concert held at L-A Harley Davidson on Thursday June 27<sup>th</sup>.

***Officer Updates***

There were no updates as this was an informal meeting before the start of the ride.

***New Business***

- There will be no organized ride leaving from L-A Harley Davidson for the Iron Adventure Rally. By a show of hands, there does not appear to be many of our members planning to attend the rally in Ludlow Vermont July 18<sup>th</sup> – 20<sup>th</sup>.
- Toy Run Pancake Breakfast and ride. There will be **no** pancake at L-A Harley Davidson as there will be **no** United Bikers of Maine organized ride to Augusta.
- Progressive Dinner Ride – Will be held in September. More information to follow.
- Dinner Rides – Turnout has been light. I would like to consider alternating nights during the week to try to generate more interest.
- Be sure to check the L-A Harley website for dealer sponsored events.
- Check the MMLHOG Hotline **(207) 758-0633** for updates and event times.

***Next Scheduled Meeting – August 3, 2019 @ 9:00 AM***
