### Holiday Party

The holiday party was held January 9th at the Carriage House and what a turn out we had! Great food + good friends + fierce bidding = lots of fun!!

Needless to say, what happened at the Carriage House, **stays** at the Carriage House—we'll except for a few photos that were *leaked!*

### Maine HOG Rally

The Maine HOG Rally will be held in Bangor, July 13th to 16th. Our Assistant Director is looking into reserving a block of rooms at the Ramada Inn so if you are planning on going check back for updates. Better yet, join us at our monthly meetings to get the updates first hand!

Our chapter is coordinating the lighted bike show at this year's rally. So light your bike up and enter the contest!

We were also tasked with designing the letter N in Bangor. Our thanks to Don Gabriel for this incredible design!!

### Membership Update

It's time to [renew your membership](#) (\$20) for 2016! Please check that your [national membership](#) is current. Make sure to pay your dues and join us for lots of fun in this new year!

### Get Involved—Volunteer

The Mid Maine Lewiston HOG chapter sponsors and participates in a lot of events and relies on volunteer participation for the successful execution of these events. With the support of our members, we can feature fully-staffed, well organized events that enhance the experience of everyone.

From registration table volunteers to concession stand volunteers, duties will run the gamut during events. While the goal remains to serve our event audiences and assist our sponsors, everyone is encouraged to have fun in their helpful roles. So pitch in, meet people, and enjoy! Plus you earn Biker Bucks for your efforts!
