## From the Director...

Well summer is finally upon us. Between graduations, weddings, working and visiting family time on the motorcycle has been scarce. Hoping to change that soon. We have had some awesome rides and great turnout. We need to especially thank those who have taken on the roll as a Road Captain and lead rides for our Chapter. Without their time rides would not occur. So thank you!!!!

As some may have already heard this years Rally is the last Maine State Rally. HOG has decided to do national rallies. After 21 years it is with great sadness to see them end but hoping one of the national rallies will head to Maine. If you are heading to Bangor this year let Cindy know like yesterday if you want to get a Chapter T-shirt and either Friday or Saturday night we will get together as a Chapter.

I wish you all a wonderful summer and hope to see you on upcoming rides.
