FROM THE DIRECTOR'S DESK

Warm sunny days, cool clear nights with low humidity make great riding weather. Enjoy it while you can because August is not too far away! I have seen many Facebook posts of chapter members on rides and having a good time. The best of the riding season has yet to come with chapter rides on Sundays and dinner rides during the week. Keep checking your ride calendars for upcoming ride dates, times, and destinations. **All Sunday rides leave L-A Harley-Davidson at 10:00 AM (some have been changed from 9:00 AM).**

Also, there is still time to sign up for the Iron Adventure Rally in Ludlow Vermont which is being held July 14th – 16th. This event is always a good time, and the rally coordinator and volunteers do a great job with ride planning and activities at the host hotel.

There are no chapter meetings in July and August. Our next meeting will be Saturday September 10th @ 9:00 AM.

Remember to support L-A Harley-Davidson our sponsoring dealer when they hold weekly events.

Ride safe, be smart, and have fun!

Motorcycle Tips from the Safety Officer – Tony Bruno

Motorcycles have the same rights and privileges as any other vehicle on the roadway. Motorcycles also need to follow the rules of the road ~ red lights, stop signs and emergency vehicles.

- Allow your motorcycle a full lane width. Although it may seem as though there is enough room in the traffic lane, remember your motorcycle needs room to maneuver safely.
- Always signal your intentions before changing lanes or merging with traffic which will allow you to anticipate traffic flow and find a safe lane position.
- Always make a visual check for traffic by checking mirrors and blind spots before entering or leaving a traffic lane or intersection.
- Proceed with caution when approaching a vehicle with flashing turn signals, sometimes people forget to turn them off.
- Remember road conditions can pose a hazard such as potholes, gravel, wet/slippery surfaces, pavement seams, railroad crossings and grooved pavement. You may need to adjust speed and lane position.

Stay safe and enjoy the ride.
