The Director's Desk

Will winter ever end? Will the rain end? I am confident the weather will improve soon....it can't get any worse! My first four months as director have been busy and exciting. From our in-store poker walk, annual blood drive, selling hotdogs and drinks at the chilli cook-off and candlepin bowling party we stayed pretty busy during the winter months. We have had our ride planning meeting and have many rides planned for 2019. There are still open dates, so feel free to suggest a destination you would like to visit. I look forward to hearing the familiar rumble of the engine and the smiles that H-D motorcycles bring to all who ride. I am ready...are you?

Happy Riding!
Frank
