From the Director...

Well although I love summer I have to admit riding in the fall weather is sometimes my favorite time. When you see sights like this around the roads of Maine you know why you bought that Motorcycle.

We still have some great rides coming up as well as some events during the colder weather. I am positive you will see some great fall foliage during our rides.

Thank you to all those who volunteered during the Toy Run Breakfast. It might have been raining but over 30 members volunteered and was a success. John Story sent a note "thanking all of you for all you do"!

Our next Chapter meeting is Saturday, October 1st and I hope that you can find the time to stop by and join us.
