From the Director

Well fall has been beautiful, the changing of the trees gorgeous. As we all know that brings winter right around the corner. Some may have put their bikes away for winter others are still riding until the very end. Even though the season ends we here at the Chapter are busy twelve months a year. Please join us for events happening. Sign up to volunteer!! It truly is fun joining your fellow members on a Saturday afternoon at the dealership.

I would also like to thank all those who volunteered their time to head up to the Fryeburg Fair and sell bike raffle tickets. We ran out by noon on Saturday, the tickets were all sold. Your dedication to travel up there for the day is truly appreciated by all.

Coming up in December is time to sign up for a secondary officer. Please consider signing up. If you have a ride you enjoy and would like to share it with the Chapter than you are a great candidate for Road Captain. All secondary office positions are open January 1st.

Hope to see you at our next Chapter Meeting.
